Submit your prior authorization using TMHP's PA on the Portal and receive request decisions more quickly than faxed requests. With PA on the Portal, documents will be immediately received by the PA Department, resulting in a quicker decision. Fax requests must be scanned and data entered before the PA Department receives them, which can take up to 24 hours. To access PA on the Portal, go to www.tmhp.com and select "Prior Authorization" from the Topics drop-down menu. Then click the PA on the Portal button and enter your TMHP Portal Account user name and password. To submit by fax, send to **512-514-4212**.
